WELCOME TO STOCKHOLM

Respected colleagues and friends

It is our great honour and privilege to welcome you to the 2015 EAO Scientific Meeting in Stockholm.

In conjunction with the Scientific Committee and the EAO Board, we have put together a programme that we hope will be both thought-provoking and highly relevant to your daily practice.

Our clinical work today is based on half a century's experience of placing osseointegrated implants. The programme for the meeting in Stockholm reflects the progress we have made over the last 50 years, while at the same time focusing on current and emerging techniques. There is a strong emphasis on practical, clinical messages that you can use in your daily practice. We hope this combination of historical perspective and cutting-edge techniques will ensure there is something of relevance for everyone.

During the 2014 EAO meeting in Rome, a new format was introduced. The meeting in Stockholm will build on this, with the addition of extra features designed to facilitate the learning experience and engage participants throughout.

A scientific meeting is of course much more than just the scheduled sessions. It is also an opportunity to share views with colleagues and to socialise. We very much hope you will consider bringing your partner or family with you to Stockholm. The city has a huge amount to offer, and we are certain that you and your guests will go home with memories to treasure.

We look forward to meeting you in Stockholm

Björn Klinge
Chair of the Scientific Committee

Ann Wennerberg
Co-Chair of the Scientific Committee

THURSDAY, 24TH SEPTEMBER

MAIN SESSION 1

50 YEARS OF CLINICAL OSSEOINTEGRATION THE EARLY CONTRIBUTIONS AND CURRENT EFFECTIVENESS IN IMPLANT DENTISTRY

Per-Ingvar Brånemark concept

Thomas Albrektsson, Sweden

André Schroeder concept

Daniel Buser, Switzerland

Willy Schulte concept

Joerg Meyle, Germany

Effectiveness in implant dentistry

Jan Derks, Sweden

3 PARALLEL ORAL COMMUNICATIONS SESSIONS

Basic research

Clinical research, surgical

Poster presentation competition

ARENA 1

TISSUE RECONSTRUCTION/REGENERATION

What the dentist needs to know about tissue reconstruction/regeneration

Luca Cordaro, Italy and Myron Spector, USA

Aspects from the video “Cell to Cell communication”

Bernd Stadlinger, Switzerland

Regeneration/reconstruction of periimplant soft tissues

Thomas Linkevicius, Lithuania

FRIDAY, 25TH SEPTEMBER

ARENA 2

CHALLENGES FOR IMPLANT TREATMENT OF THE AGING POPULATION

Bis-phosphonates; a threat or an option?

Per Aspenberg, Sweden

No teeth, no money; what to do in the elderly patient?

Martin Schimmel, Switzerland

Minimal number of implants in the upper jaw?

Anja Zembic, Netherlands

Minimal number of implants in the lower jaw?

Gerry Raghoerbar, Netherlands

IMPLANTS IN THE FUTURE

VIRTUAL PLANNING 3D-PRINTING AND MORE

The Virtual Patient: how far away are we?

Speaker to be confirmed

The origin, present and future of 3D printing

Dianne Rekow, United-Kingdom

3D printing in maxillofacial surgery

Lawrance E Brecht, USA

3D printing in prosthodontics

Irena Sailer, Switzerland and Vincent Fehmer, Switzerland

2 PARALLEL ORAL COMMUNICATIONS SESSIONS

Basic research

Clinical research, surgical

 Coffee Break

MAIN SESSION 2

EAO CONSENSUS CONFERENCE 2015

*Christoph Hämmerle, Germany**Marc Quirynen, Belgium*

Lunch Break

ARENA 3

TO LEARN FROM COMPLICATIONS

What have we learned from cemented implant reconstructions?*Speaker to be confirmed***Maxillary sinus grafting complications and how to avoid them***Pascal Valentini, France***The surgeon as the complicating factor***Franck Renouard, France***On the evolution of complications in implant prosthodontics***Bjarni Pjetursson, Iceland***What have we learned from mucogingival complications?***Rino Burkhardt, Switzerland***What have we learned from immediate implant placement and immediate restoration?***Markus Hürzeler, Germany*

IMPLANTS IN THE FUTURE

CAD-CAM, PRECISION OF FIT

The future implant crown – chairside vs labside*Per Vult von Steyern, Sweden***Is ceramic the material of choice for future implants?***Eric Van Dooren, Belgium***CAD/CAM in removable prosthodontics***Speaker to be confirmed*

ORAL COMMUNICATIONS

Clinical research, prosthetic

INVITED COUNTRY SESSION

Programme to be announced

 Coffee Break

PARALLELL SESSION 1

PATIENT REPORTED OUTCOME

Patient reported outcome measures: what is relevant and what is not

Speaker to be confirmed

Quality of life in patients undergoing bone grafting procedures

Guido Heydecke, Germany

SATURDAY, 26TH SEPTEMBER

SCANDINAVIAN SOCIETIES PROGRAMME

Osseointegration as a foreign body reaction

Christer Dahlin, Sweden

What can we learn from national Orthopaedic Registers

Speaker to be confirmed

Brain signalling from teeth and dental implants

Mats Trulsson, Sweden

ARENA 4

SUCCESSFUL SUPPORTIVE TREATMENT EVIDENCE FOR CLINICAL EFFICACY

Hugo deBruyn, Belgium

Mariano Sanz, Spain

Lisa Heitz Mayfield, Sweden

PARALLEL SESSION 2

IMAGING (RADIOLOGY) IN TREATMENT PLANNING AND FOLLOW-UP

Presurgical diagnostic imaging: what do I need to spot prior to implant planning?

Speaker to be confirmed

Presurgical imaging in implant treatment: from guidelines to clinical use

Michael Bornstein, Switzerland

Do we still need to use hounsfield scores in presurgical planning?

Reinhilde Jacobs, Belgium

Creating the virtual patient: how to integrate facial, optical and radiological imaging components

Ali Tahmaseb, Netherlands

ORAL COMMUNICATIONS

MAIN SESSION 3

PERIIMPLANTITIS

The relevance of implant materials for periimplantitis

Andrea Mombelli, Switzerland

**The patient and the problem awaits
Monday morning; what do I do?**

Stefan Renvert, Sweden

Challenges in the treatment of periimplantitis

Olivier Carcuac, Sweden

A comparison between periodontitis and periimplantitis lesions

Tord Berglundh, Sweden

Lunch Break

EAO PROGRAMME

EAO AWARDS CEREMONY

PARALLEL SESSION 3

EMERGING SURGICAL CONCEPTS

Do we still need autogenous bone for ridge augmentation or can we use growth factors?

Ronald Jung, Switzerland

Soft tissue grafts out of the box, what can we expect in clinics?

Otto Zuhr, Germany

Emerging concepts in maxillofacial surgery: indications for graft materials

Henning Schliephake, Germany

The future of wound healing: can it still be improved?

Nelson Pinto, Chile

EAO PROGRAMME

CLOSING CEREMONY

GENERAL INFORMATION

DATE

- ▶ From **Thursday, 24th September**
- ▶ to **Saturday, 26th September 2015**

VENUE

EAO congress 2015 will be held at the **Stockholmsmässan**
Mässvägen 1,
125 30 Älvsjö - Sweden
Easily reachable from Stockholm centre by train.

OFFICIAL LANGUAGE

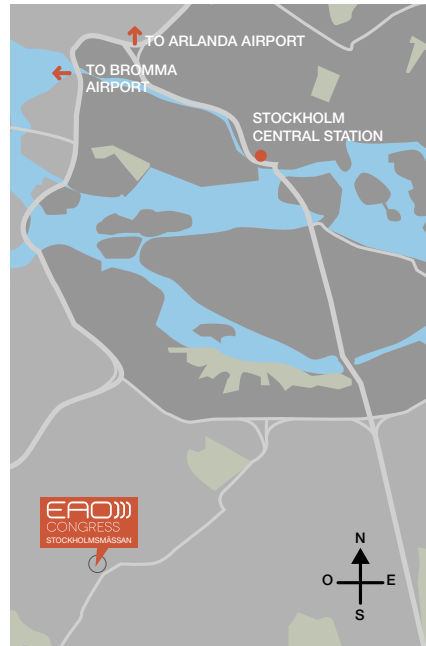

Official language of the EAO Congress is **English**.

REGISTRATION

Registration will be available on April 2015 through EAO congress web site:
www.eao-congress.org

TRADE EXHIBITION

A trade exhibition will be held in the Stockholmsmässan during the Congress. It offers an excellent opportunity for companies to display their products. Firms wishing to exhibit may obtain information sending an email to:
eaocongress@clq-group.com

ACCOMMODATION

C'accommodation, official housing office of EAO, will offer you negotiated rates for your accommodation in Stockholm. Hotel list and booking form will be soon available through the EAO congress web site: www.eao-congress.org
For group block bookings (5 rooms and above), please contact Cristina Vellar at:
c.vellar@clq-group.com

CALL FOR ABSTRACTS

Opening December 2014

Deadline for submission of abstracts is April 1st, 2015.

Abstracts can be submitted in English by internet through: www.eao-congress.org

GRANTS INFORMATION

The EAO has decided to help young and talented scientists to present their latest research by providing them travel grants. 21 travel grant awardees will be selected among the abstract presenters. The grants are 400 awarded on site and the congress registration fees will be waived. You can apply for the EAO grants during the abstract submission process available on the congress website.

Conditions:

- Applications will be done while submitting the abstract and must be done no later than April 1st, 2015.
- EAO 2015 travel grant awardees will be informed mid June 2015.
- The applicant must be the first author of the abstract submitted.
- Only one grant will be allocated per person.

IMPORTANT DATES

DECEMBER, 2014

Abstract submission opening

APRIL 1ST, 2015

Deadline for abstract submission and registration opening

JUNE 10TH, 2015

Deadline for registration at preferential rates
